THE observance of Memorial day. which occurs to-day, promises to be as custom was instituted. It is not designed to keep alive the animosities of the civil strife that rolled through this cago. nation more than a quarter of a century ago, but on the contrary as time ring Memorial day to brave men who fought on either side in that greatest of nodern wars have become more frequent and spontaneous. The day will be appropriately celebrated in Helena by the Grand Army post assisted by the dress at Encore hall in the evening by Chief Justice Blake will doubtless have many times that acreage of irrigable mesa a large and appreciative hearing.

REPUBLICAN papers in Montana are endeavoring to explain that the Chicago Kvening Journal's ill-tempered article upon the "confidence game" played by Montana in the last presidential election shouldn't be taken seriously, first, because the Journal is "foolish," a proposition that will excite no controversy, and second because the most controversy and second because the most office of the finest bred live stock obtainable in England and America. Adjoining the landed estate in Lake county, which consists of several thousand acres, much of it under cultivation, is a farm of like extent, the property of Freddie Gebhardt.

Nina Kirby Smith, dauther of Gen, Kirand second, because the republicans of to its suggestion that the president be in no hurry to issue his proclamation declaring this a state of the union. The a organ of the republican party has made of the republican party has such a suggestion, and not in way of jest, but in all seriousness. The fact indicates too plainly the intolerant spirit of the party, which is worthy only of the era of witch burning, and to which a considerable portion of the party would

opinion as to the attitude of the republibeen in the habit of assuring prohibi- be lasting and obstinate, and breed other tionists that there is no occasion for a and worse complaints. Hostetter's Stomprohibition party, that the republican party is the recognized champion of the merance cause, and will take care of the country if the prohithe morals of the country if the prohibitionists will but vote for republican the cheap nostrums swallowed by the credulous and misinformed. The fiat of expensions of the medicinal fraternity ominees. On the other hand, and to make things comfortable for the liquor- | sanction the claims of this standard appe sellers and liquor-drinkers who form so large a portion of the republican party the mouthpieces of that political organization take up the other tune at times. as when the St. Louis Globe-Democrat

"Prohibition is not a political question, in the ordinary acceptation of the term. All the contests which have taken place on that issue heretofore have been waged on non-partisan lines. The attempt of the democrats, therefore, to identify the republicans in Pannay Ivania with the movement icans in Pennsylvania with the move in favor of putting a prohibitory amend-ment into the constitution of that state is weak and silly. The majority against pro-hibition in Pennsylvania will be about equal to the majority which the republicans nocrats in regular partisan contests in that state.

session of congress, to be called for an early day in October, has again been renewed. In a dispatch to the Chicago Tribune the statement is made that the president favors the holding of such a session for the advantage it would be to the party in preparing a policy on the tariff issue and in disposing of some of the contested election cases so that the republicans may have a majority greater of the contested election cases so that the republicans may have a majority greater of the contested election cases so that the republicans may have a majority greater of the contested election cases so that the republicans may have a majority greater of the contested election cases so that the republicans may have a majority greater of the contested election cases so that the republicans may have a majority greater of the contested election cases so that the republicans may have a majority greater of the contested election cases so that the republicans may have a majority greater of the contested election cases so that the republicans may have a majority greater of the contested election cases so that the republicans may have a majority greater of the contested election cases so that the republicans may have a majority greater of the contested election cases so that the republicans may have a majority greater of the contested election cases so that the republicans may have a majority greater of the contested election cases so that the republicans may have a majority greater of the contested election cases so that the republicans may have a majority greater of the contested election cases so that the republicans may have a majority greater of the contested election cases so that the republicans may have a majority greater of the contested election cases so that the republicans may have a majority greater of the contested election cases of consumption, succeeded in producing a medicine which is acknowledged by all to be simply marvelous. It is not the case of consumption, succeeded in producing a medicine which is acknowled session of congress, to be called for an

clerk of the house of representatives show. The inference is unavoidable that it is the intention of the republicans to decide the sixteen contests which will come up according to the dictates of party necessity rather than upon the merits of the respective cases.

The correspondence alluded to points

democrats to break a quorum at any time they saw fit. Besides, two memthers, by carrier, per month.....\$1 00 bers on the republican side are in such Petro poor health that it is doubtful if they will ever take their seats again in congress, and this will leave the republi-OFFICIAL PAPER OF LEWIS AND cans of the house with only one majority upon a full vote until they can be reinforced by the four members they expect to gain from the two Dakotas and Washington. Therefore party leaders advise the president against the calling of an extra session because an accident might result in throwing the power of organizing the house into the hands of the subscription of an extra session because an accident might result in throwing the power of organizing the house into the hands of the subscription organizing the house into the hands of the subscription organizing the house into the hands of the subscription of the subscription organizing the house into the hands of the subscription organizing the house into the hands of the subscription of the subscri organizing the house into the hands of Sheep-Receipte the democrats. Their policy is to take \$3.5024.40: westernoon, and it is always no chances, but wait until the additional members can be made available. The probability, according to this particular correspondent, is that there will be no extra session called, unless the president
